The Life of Paper A Tale of Two Cities (1859) is a historical novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel tells the story of the French Doctor Manette, his 18-year-long imprisonment in the Bastille in Paris and his release to live in London with his daughter Lucie, whom he had never met. The story is set against the conditions that led up to the French Revolution and the Reign of Terror.

The Cost of Discipleship A collection of Jackson's letters from prison, "Soledad Brother" is an outspoken condemnation of the racism of white America and a powerful appraisal of the prison system that failed to break his spirit but eventually took his life. Jackson's letters make palpable the intense feelings of anger and rebellion that filled black men in America's prisons in the 1960s. But even removed from the social and political firestorms of the 1960s, Jackson's story still resonates for its portrait of a man taking a stand even while locked down.

Woodstock Nation Hailed by Terry Eagleton in "The Guardian" as "definitive," this is the only complete and authoritative edition of A.A. Miller's deeply personal and vivid prison letters.

Creation and Fall Temptation From National Book Award-winning author Martin Amiarty, the surprising story of a Christian classic born in a Nazi prison cell. For fascination, influence, inspiration, and controversy, Dietrich Bonhoeffer's Letters and Papers from Prison is unmatched by any other book of Christian reflection written in the twentieth century. A Lutheran pastor and theologian, Bonhoeffer spent two years in Nazi prisons before being executed at age thirty-nine for his role in the plot to kill Hitler. Ever since it was published in 1951, Letters and Papers from Prison has had a tremendous impact on Christian and secular thought, and has helped establish Bonhoeffer's reputation as one of the most important Protestant thinkers of the twentieth century. In this, the first history of the book's remarkable global career, National Book Award-winning writer Martin Amiarty tells how and why Letters and Papers from Prison has been read and used in such dramatically different ways, from the Cold War to today.

The Insanity Offense: How America's Failure to Treat the Seriously Mentally Ill Endangers Its Citizens In the early morning hours of August 13, 2018, in the small, quiet Colorado town of Frederick, after murdering his family, Chris Watts calculatingly and coldly put his girls in oil battery tanks and buried his pregnant wife in a shallow grave, then returned to work like nothing happened. Love Letters from Cell 92 In "Letter from Birmingham Jail," Martin Luther King Jr. explains why blacks can no longer be victims of inequality.

Letters from Christopher The Life of Paper offers a wholly original and inspiring analysis of how people facing systematic social dismantling have engaged letter correspondence to remake themselves—from bodily integrity to subjectivity and collective and spiritual being. Exploring the evolution of racism and confinement in California history, this ambitious investigation disrupts common understandings of the early detention of Chinese migrants (1880s–1920s), the internment of Japanese Americans (1930s–1940s), and the mass incarceration of African Americans (1960s–present) in its meditation on modern development and imprisonment as a way of life. Situating letters within global capitalist movements, racial logics, and overlapping modes of social control, Sharon Luk demonstrates how correspondence becomes a poetic act of reinvention and a way to live for those who are incarcerated.

De Profundis and Other Prison Writings

Prison Letters Despite Dietrich Bonhoeffer's earlier theological achievements and writings, it was his correspondence and notes from prison that electrified the postwar world six years after his death in 1945. The materials gathered and selected by his friend Eberhard Bethge in Letters and Papers from Prison not only brought Bonhoeffer to a wide and appreciative readership, especially in North America, they also introduced to a broad readership his novel and exciting ideas of religionless Christianity, his open and honest theological appraisal of Christian doctrines, and his sturdy, if sorely tried, faith in face of uncertainty and doubt. This splendid volume, in some ways the capstone of the Dietrich Bonhoeffer Works, presents the full array of Bonhoeffer's 1943–1945 prison letters and theological writings. Using the acclaimed DBWE translation, adapted to a more accessible format, this new edition features supplemental material from Victoria J. Barnett and an insightful introduction by John W. de Gruchy to clarify the theological meaning and social importance of Bonhoeffer's prison writings.

Letters and Papers from Prison In the spring of 1935 Dietrich Bonhoeffer returned from England to direct a small illegal seminary for the Confessing Church. The seminary existed for two years before the Gestapo ordered it closed in August 1937. This volume includes Bible studies, sermons, and lectures on homiletics, pastoral care, and catechesis, giving a moving and up-close portrait of the Confessing Church in these crucial years—the same period during which Bonhoeffer wrote his classics, Discipleship and Life Together.

Prisoner for God Reproduction of the original: Prison Memoirs of An Anarchist by Alexander Berkman

Prison Memoirs of An Anarchist One of NPR's Great Reads of 2018 A n unforfeatable portrait of one of the most inspiring historical figures of the twentieth century, published on the centenary of his birth. Arrested in 1962 as South Africa's apartheid regime intensified its brutal campaign against political opponents, forty-four-year-old lawyer and African National Congress activist Nelson Mandela had no idea that he would spend the next twenty-seven years in jail. During his 10,052 days of incarceration, the future leader of South Africa wrote a multitude of letters to unyielding prison authorities, fellow activists, government officials, and, most memorably, to his courageous wife, Winnie, and his five children. Now, 255 of these letters, many of which have never been
published, provide exceptional insight into how Mandela maintained his inner spirits while living in almost complete isolation, and how he engaged with an outside world that became increasingly outraged by his plight. Organized chronologically and divided by the four venues in which he was held as a sentenced prisoner, The Prison Letters of Nelson Mandela begins in Pretoria Local Prison, where Mandela was held following his 1962 trial. In 1964, Mandela was taken to Robben Island Prison, where a stark existence was lightened only by visits and letters from family. After eighteen years, Mandela was transferred to Pollsmoor Prison, a large complex outside of Cape Town with beds and better food, but where he and four of his comrades were confined to a rooftop cell, apart from the rest of the prison population. Finally, Mandela was taken to Victor Verster Prison in 1988, where he was held until his release on February 11, 1990. With accompanying fascimiles of some of his actual letters, this landmark volume reveals how Mandela, a lawyer by training, advocated for prisoners’ human rights. It reveals him to be a loving father, who wrote to his daughter, “I sometimes wish science could invent miracles and make my daughter get her missing birthday cards and have the pleasure of knowing that her Pa loves her,” aware that photos and letters he sent had simply disappeared. More painful still are the letters written in 1969, when Mandela— forbidden from attending the funerals of his mother and his son Thembi— was reduced to consoling family members through correspondence. Yet, what emerges most powerfully is Mandela’s unaltering optimism: “Honour belongs to those who never forsake the truth even when things seem dark & grim, who try over and over again, who are never discouraged by insults, humiliation & even defeat.” Whether providing unwavering support to his also-imprisoned wife or outlining a human-rights philosophy that resonates today, The Prison Letters of Nelson Mandela reveals the heroism of a man who refused to compromise his moral values in the face of extraordinary punishment. Ultimately, these letters position Mandela as one of the most inspiring figures of the twentieth century. From The Prison Letters of Nelson Mandela “A new world will be won not by those who stand at a distance with their arms folded, but by those who are in the arena, whose garments are torn by storms & whose bodies are maimed in the course of contest.” “I am convinced that floods of personal disaster can never drown a determined revolutionary nor can the cumulus of misery that accompanies tragedy suffocate him.” “My respect for human beings is based, not on the colour of a man’s skin nor authority he may wield, but purely on merit.” “A good pen can also remind us of the happiest moments in our lives, bring noble ideas into our dens, our blood & our souls. It can turn tragedy into hope & victory.”

A Testament to Freedom

Running the Books Dietrich Bonhoeffer was only thirty-nine years old when he was executed in a Nazi concentration camp in 1945, yet his courage, vision, and brilliance have greatly influenced the twentieth-century Church and theology. Particularly through his bestselling classic, The Cost of Discipleship, Bonhoeffer profoundly shaped such minds and movements as Martin Luther King Jr., and Leonardo Boff, civil rights and liberation theology. A Testament to Freedom, completely revised and expanded for this edition, includes previously untranslated writings, excerpts from major books, sermons, and selected letters spanning the years of Bonhoeffer’s pastoral and theological career. This magnificent volume takes readers on a historical and biographical journey that follows Bonhoeffer through the various stages of his life— as teacher, ecumenist, pastor, preacher, seminary director, prophet in the Nazi era and, finally, as martyr in pursuit of peace and justice.

A Tale of Two Cities Illustrated After his martyrdom at the hands of the Gestapo in 1945, Dietrich Bonhoeffer continued his witness in the hearts of Christians around the world. His letters and papers from prison became a prized testimony to Christian faith and courage, read by thousands. Now in Life Together we have Pastor Bonhoeffer’s experience of Christian community. This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul’s letters. It gives practical advice on how life together in Christ can be sustained in families and groups. The role of personal prayer, worship in common, everyday work, and Christian service is treated in simple, almost biblical, words. Life Together is bread for all who are hungry for the real life of Christian fellowship.

Letter from the Birmingham Jail How does one read the signs of the times? What does it mean to resist? How do we engage faithfully in struggle? Dietrich Bonhoeffer has achieved iconic status as one who epitomizes what it means to struggle and resist tyranny and fascism and how one acts in faithful witness as a religious and political commitment. Bonhoeffer’s witness and example is more relevant than ever. A testimony to that is a crucial essay penned by Bonhoeffer in 1942; “A Letter Ten Years Later” is a succinct and sober reflection, and remains one of the best descriptions ever written about what happened to the German people under National Socialism. This volume presents this timely and unique essay in a fresh translation and a penetrating introduction and analysis of the importance of this essay— in Bonhoeffer’s time and now in our own.

Life Together

Franz Jagerstatter WHO BETTER TO FACE THE GREATEST EVIL OF THE 20TH CENTURY THAN A HUMBLE MAN OF FAITH? As Adolf Hitler and the Nazis seduced a nation, bullied a continent, and attempted to exterminate the Jews of Europe, a small number of dissidents and saboteurs worked to dismantle the Third Reich from the inside. One of these was Dietrich Bonhoeffer— a pastor and author. In this New York Times best-selling biography, Eric Metaxas takes both strands of Bonhoeffer’s life— the theologian and the spy— and draws them together to tell a searing story of incredible moral courage in the face of monstrous evil. Metaxas presents the fullest accounting of Bonhoeffer’s heart-wrenching decision to leave the safe haven of America to return to Hitler’s Germany, and sheds new light on Bonhoeffer’s involvement in the famous Valkyrie plot and in “Operation 7,” the effort to...

Discipline and Punish In this brilliant work, the most influential philosopher since Sartre suggests that such vaunted reforms as the abolition of torture and the emergence of the modern penitentiary have merely shifted the focus of punishment from the prisoner's body to his soul.

The Cambridge Companion to Dietrich Bonhoeffer

Prayers from Prison "The epic story of the vastly outnumbered platoon that stopped Germany's leading assault in the Ardennes forest and prevented Hitler's most fearsome tanks from overtaking American positions. On the morning of December 16, 1944, eighteen men of the Intelligence and Reconnaissance platoon attached to the 99th Infantry Division found themselves directly in the path of the main thrust of Hitler's massive Ardennes offensive. Despite being vastly outnumbered, they were told to hold their position "at all costs." Throughout the day, the platoon repulsed three large German assaults in a fierce day-long battle, killing hundreds of German soldiers. Only when they had run out of ammunition did they surrender to the enemy. But their long winter was just beginning. As POWs, the platoon experienced an ordeal far worse than combat-surviving in wretched German POW camps. Yet miraculously the men of the platoon survived—all of them—and returned home after the war. More than thirty years later, when President Carter recognized the platoon's "extraordinary heroism" and the U.S. Army approved combat medals for all eighteen men, they became America's most decorated platoon of World War II. With the same vivid and dramatic prose that made The Bedford Boys a national bestseller, Alex Kershaw brings to life the story of these little-known heroes—an epic tale of courage, duty, and survival in World War II and one of the most inspiring episodes in American history. The Longest Winter is an intensely human story about young men who find themselves in frightening wartime situations, who fight back instinctively, survive stoically, and live heroically.
