This gifted and talented test preparation book contains a full-length practice test, which provides gifted and talented CogAT® test preparation for 2nd grade students. This Level 5 (Grade 2) test will prepare your child for the Cognitive Abilities Test (CogAT®), an assessment measuring giftedness. Transforming Learning: International Perspectives is a must-read for all educators who want to impact the lives of the students who attend their classrooms. It presents indigenous frameworks applied to subjects in education, the humanities and sciences that transcend the boundaries of culture and inform critical praxis in teacher education.

"This textbook covers all the theory and technology sections that students need to learn in order to pass level 1, 2 and 3 automative course from the Institute of Motor Industry, City & Guilds and other exam boards. It has been produced in partnership with ATT Training and is a companion to their online learning resources. Learning is made more enjoyable and effective as the topics in the book are supported with online activities, video footage, assessments and further reading. If you are using ATT Training materials then this is the ideal textbook for your course"--
