Feb 18, 2015 · Ukraine has been torn between east and west since the collapse of the Soviet Union in 1991. Ukrainian is the main language in western regions - where there is also a long-standing aspiration for

There have been a large number of successful and failed military coups in Nigeria since the country’s independence in 1960. A military coup is the violent or non-violent overthrow of an existing political regime by the military. Between 1966 and 1999 the army held power in Nigeria without interruption apart from a short-lived return to democracy between 1979 to 1983.
